Amazon (Product company)

AIM :- Provides movie shows | products | step delivery | Alexa.

SWOT:

Strength :-

- Provide quick customer consultation
- Deliver products within 2-3 days
- Great Indian Festival Offers.
- Discounts
- Deliver all over world

Weakness :-

- Products might be damaged
- Customer gives fake reviews
- Rural places delivery delays.
- Prime membership turns costly

Opportunity :-

- Good quality of products to be concerned
- Refund & Exchange should be more efficient.
- NO exchange of items should take place. This enhances item to be a more better company.

Threat:

- Other companies like Flipkart, Meesho, Ebay that have less cost.
- Customers not satisfied
- Walmart, Alibaba also delivery best products in less time
